

A large, gnarled pine tree with a thick, textured trunk and sprawling, dark brown branches dominates the left and center of the frame. The tree's needles are a vibrant green, and sunlight filters through the canopy, creating dappled light on the forest floor. The ground is covered in a mix of green grass, moss, and fallen pine needles. In the background, other trees and a clear blue sky are visible through the branches. The word "Folkhem" is written in a white, serif font in the upper right corner.
